Mr E. Mueller, Chair, Namibian Qualifications Authority
Mr F. Gertze, Director, Namibian Qualifications Authority

Dear Eckhart, Franz

I am writing on behalf of INQAAHE to express to you and your staff the Network's sincere appreciation of the Namibian Qualifications Authority for hosting the 2010 INQAAHE Members' Forum. The Board and members of INQAAHE recognise the great amount of work that goes into mounting such an event, and are grateful that you have made this commitment over the long period of planning and implementation.

That the Forum was successful and enjoyable is due to your hard work in advance and the pleasant attention we received from your staff during the event.

Again, many thanks.

Yours sincerely,

Dr David Woodhouse,

INQAAHE President.
