

## **INQAAHE Membership Conditions**

Membership and affiliation fees will be set at a level decided from time to time by the General Assembly.

Members and Affiliates are obliged to

- abide by the Constitution of the Network; and
- remit, in due time, the subscriptions or any other contributions determined in accordance with the Constitution.

The Network may set fees and levy charges for its publications and information disseminated by other means, for example conferences and workshops.

Membership or Affiliation may be withdrawn if the Member or Affiliate

- fails to maintain the conditions that allowed its initial admission, as set out in this Constitution; or
- does not fulfil the obligations set out in the Constitution; or
- acts in the Network's name without authorisation; or
- misrepresents its association with the Network as implying any level of recognition (beyond the criteria that allowed its admission to the Network); or
- on a recommendation of the Board.

If the membership or affiliation of existing members for whatever reason is withdrawn no refund of the fee will be provided.

All new members and affiliates first have to pay a review fee of €100 in order to get their application reviewed by the membership committee. \*

Members and affiliates from LDC/LIC countries that apply for membership in the period October-December will pay a reduced review fee which is equal to the (remaining) annual fee. If their application is accepted they do not have to pay any additional membership fee for the remaining months of the calendar year.\*

If the membership committee decides to accept the application of a new member or affiliate the review fee will be applied to the annual fee. \*

If the membership committee decides not to accept the application of a new member or affiliate that has already paid its review fee, this fee will not be refunded. \*

\* These conditions will become effective as soon as the creditcard payment facility is installed on the INQAAHE website.
