**Dr. Zaheer Ahmed Khan** is a seasoned academic and researcher, currently serving as an Assistant Professor in the Department of Farm Structures & Postharvest Engineering at Sindh Agriculture University Tandojam. He is a nationally certified reviewer for Higher Education Institutions (HEIs) and ranks among the top 10 certified reviewers in Pakistan under the Sindh Higher Education Commission (Sindh HEC).

Dr. Khan brings hands-on experience in institutional quality reviews, on-site evaluations, and the development of post-accreditation follow-up mechanisms, including the design and monitoring of Key Performance Indicators (KPIs). He effectively applies internationally recognized Continuous Quality Improvement (CQI) frameworks such as LetCI, ADLI, ADRI, PDCA, and SWOT analysis to drive institutional assessment, strategic planning, and continuous quality enhancement.

He has recently completed a Postgraduate Diploma in Quality Assurance for Higher Education Institutions and is currently awaiting the final results. As an HEC-approved Master Trainer, Dr. Khan has conducted capacity-building workshops and training sessions across multiple institutions. He is also a lifetime member of the Pakistan Engineering Council (PEC), a member of The Institution of Engineers Pakistan (IEP), and an active member of the International Association of Engineers (IAENG).
