

List of Institutions and/or Programs Externally Evaluated

by

ACE-EDUQUAL LTD

ACE-EDUQUAL LTD conducts external evaluations of training centres and their academic capabilities before approving them as Learning Partners. The evaluation includes institutional audit, trainer qualification review, resource verification, teaching processes, and compliance with ACE-EDUQUAL's quality assurance framework.

ACE-EDUQUAL externally evaluates programmes delivered through partner institutions, ensuring alignment with ACE-EDUQUAL curriculum, teaching standards, assessment processes, and trainer competency.
