

# Regional Networks Meeting

Understanding regional priorities and exploring meaningful alignment across quality assurance networks.

# A Partnership Built on Listening

## Purpose

Listen to regional perspectives and priorities

## Intention

Support and complement, not duplicate regional work

## Outcome

Explore where collaboration adds genuine value

# Breakout Discussion Questions

---

## Regional Priorities

Most pressing challenges for your network over the next 2–3 years?

## Collaboration Benefits

Where could working together support — not duplicate — your work?

## Practical Mechanisms

What tools or platforms would make collaboration easier and meaningful?

## INQAAHE Support

What would be most helpful in terms of coordination or visibility?

# Plenary Harvest

## Each Group Shares

- **One Priority**  
Key challenge or focus area
- **One Opportunity**  
Potential for meaningful alignment
- **One Mechanism**  
Practical tool for collaboration
- **One Expectation**  
What INQAAHE can provide

# Moving Forward Together

## Your Voice Matters

Regional leadership shapes global quality assurance

## Commitment

Synthesize input and return with actionable next steps

## Shared Direction

Collaboration that respects regional autonomy
